Waste disposal talks

Singapore's Minister of Environment and Water Resources Dr Yaacob Ibrahim (left) gesturing as he talks with Natural Resources and Environment Minister Datuk Seri Azmi Khalid who yesterday visited the Semakau landfill in Singapore, the only landfill for waste disposal in the island republic. Commissioned in 1999, the landfill covers 350ha, has a capacity of 63 million cubic metres and is expected to meet Singapore's need for landfill space up to the year 2045. — Bernama
